Education

Indian Institute of Technology, Dhanbad
Bachelor of Technology in Mechanical Engineering (CGPA: 7.98/10)

August 2023 - May 2027
Dhanbad, Jharkhand

Tirumala Mahila Junior Kalasala
Board of Intermediate Education Andhra Pradesh (CGPA: 9.76/10)

April 2021 - June 2023
Rajahmundry, Andhra Pradesh

DE Paul EM school
Indian Certificate of Secondary Education (ICSE) (CGPA: 9.53/10)

June 2020 - April 2021
Atchuthapuram, Vishakapatnam, Andhra Pradesh

Projects and Analytical Experience

Performance study of controlled space for GCHX-based air-conditioning (Group Project)

- Conducted analysis of climate control systems for agriculture (mushroom cultivation).
- Applied data-driven monitoring (temperature, humidity) with DAC systems to optimize efficiency.
- Outcome: Achieved sustainable climate control – linked project to business value in agri-tech.

Brake Disc Rotor Analysis | Fusion 360 Simulation, Ansys

- Carried out stress, thermal deformation analysis under high load conditions.
- Demonstrated ability to apply quantitative modeling to solve performance and cost-efficiency problems.

Virtual Piano Application | React, HTML, CSS, JavaScript Link

- Designed an interactive platform with data storage user behavior insights.
- Showcased ability to translate user needs into functional product strategy.

Technical Skills

Business Analytical: Financial Modeling (Excel), Market Research, Business Case Development, Data Analytics

Technical: Python, C++, MATLAB, SQL (basic), Fusion 360, ANSYS, SolidWorks

Soft Skills: Leadership, Strategic Thinking, Team Collaboration, Presentation Skills

Achievements

- Final Round – Accenture Strategy Connect Season 4 (2025) Worked on a real industry problem, developing innovative business strategies and presenting actionable solutions in a competitive consulting environment.
- Google India Student Upskilling Launchpad 2025 – Selected via competitive coding challenge. item Selected for Microsoft student's Ambassdor Program 2024.
- Secured 1800 rank in AP EAPCET (2023).

Position of Responsibility

Student Internship Representative (SIR) at Career Development Centre, IIT ISM Dhanbad: Coordinated internship opportunities for 100+ peers, liaising between students and industry recruiters. Gained hands-on experience in stakeholder management and process execution.

Class Representative, Mechanical Engineering – Facilitated communication between faculty and 100+ students.

Social Engagements

Volunteer: Tutored 20+ underprivileged children at KARTAVYA NGO.

Sports Engagements: Active member of Basketball Club, participated in running and long Jump at Parakram'24.

Coding Community: Active participation in CodeISM (IIT Dhanbad's coding club).

Interests: Drawing, dancing, crafting, photography.
